

"WHERE YOUR CHILD ALWAYS COMES FIRST!"

Parents, we hope that everyone has had the opportunity to register and browse around the Teaching Strategies GOLD website. If you have not been invited please check with your child's teacher or Mr. Robert to ensure that we have the correct email address on file. Be sure to complete the Survey about our school that is located on the website. If you have any questions please feel free to speak with Mr. Robert in the office. **To All Parents, As the weather is changing here in our great city, it is imperative that all parents check their child's cubby to ensure that they have an adequate change of clothing in case they need to be changed for any reason. Parents can check for school closings due to severe weather as well. This information can be found on the last page of the Parent Handbook or go to www.emergencyclosingcenter.com**

Past/Current Events

The month of February was very busy with Valentines Day as well as Black History Month and Presidents Day. Classes have gone back to their usual daily schedules and curriculum.

Kindergarten Koalas

First I need to say how proud I am of my class and family members for completing and doing such an amazing job on their home-school projects of building your own home. Great Job Guys!!!!

Welcome the month of March! We had an awesome last month and we are now excited to start with new themes as well as new projects and lessons. This month we will celebrate St. Patricks Day and the 1st day of Spring. New words along with new math skills will be introduced this month. Many projects and activities will be done this month that will enhance the children's knowledge of this topic. We will be sending home a home-school project for parents and children that co-incides with the theme as well. We encourage parents to practice at home with your child. Also please check your child's cubby for appropriate clothes. Ms. Jane & Ms. Jessica

Mr. Roberts Corner

Parents, be aware that we are having a contest in our school in regards to the Parent Survey on our school website at www.toddlertownchicago.com and would appreciate everyone's feedback. Once all of the survey confirmation sheets are handed in there will be a drawing. The winner will receive \$150 off their tuition. If you have not yet given us an email address to add your family to the teaching strategies website please do so in order to view your child's development as well as important information about each classroom and its weekly lesson.

Mr. Robert (Director)

Peanuts Classroom

Dear Parents,

For the month of March we will be celebrating many fun activities to welcome Spring. We will observe the weather changes as the snow is and will continue to melt away. We are patiently waiting for the green grass to start growing. We will be reviewing past alphabet letters A-Q and we will introduce the remaining letters of the alphabet. Introduction to more numbers as well as counting will be done this month as well. Our class will start by counting objects as a whole class and doing many activities that have to do with counting.

As a reminder to all parents, continue to dress your child in the proper clothing according to the weather. Also please be sure to check your child's cubby for extra clothing in addition to anything else he/she may need.

Thank you,

Ms. Joannie

Bears Classroom

For the month of March we will be continuing our study of the alphabet and numbers. We will be brainstorming words that begin with each letter and continue to practice our spelling of the words that we have brainstormed. We will begin to discuss Spring and plant flowers to watch them grow as well as discuss what changes happen in Spring and what the children like to do in Spring. With the change of weather we will be outside.

Ms. Taga

Dragons Classroom

Dear Parents, We made it through the Blizz and a new month is starting. The subject for the month will Weather, Yummy Treats and Zoo Animals. On Tuesday, I will be sending home practice sheets for your child to practice his/her name. Please encourage your child to practice.

Ms. Hope

PeeWee's Classroom

Well Pee-Wee's we are half-way through the school year and before you know it, spring will be here! This month we will continue to work on our alphabet, focusing on our letters Q, R, S, T, U and V. That means within the next 2 months we will have completed the entire alphabet. We will also talk about the changes in the weather and spend time going over numbers. We will count daily up to 20 and introduce numerals. Parents if you log onto Teaching Strategies you will notice that you can only view new assessments for the Spring season. Unfortunately you cannot go back and review winter nor fall documentation. But please check often for new updates and documentation for your child. Also have you checked your child's cubby lately? Please be sure to check it and refill any needed clothing.

Mrs. Claudia & Ms. Irene
