

"WHERE YOUR CHILD ALWAYS COMES FIRST!"

Summer is almost over and it's almost time to get ready for some chilly weather. Please dress your child appropriately in addition to making sure that they have an adequate change of clothing in their cubby box. The children will still be going on walks and enjoying the fresh air by going out into the gross motor area making it very important for them to have a sweater or jacket on cool days.

The Teaching Strategies website should be up and running soon. Teachers will be informing all parents of any details associated with this website and your child as it becomes available.

Reminder: **Tuition payments are due on time.** Any payments made after your due date will result in a late fee added to your current amount. All teachers have envelopes for payments so feel free to ask for one. Envelopes have to be handed to a teacher.

Important News

Toddler Town Daycare has partnered with Jewel/Osco to provide seasonal flu shots at both schools. A technician will come out and administer the vaccines. The cost is \$26.99. The Illinois Medicaid Card is accepted for a \$0 co-pay. The date is set for September 27 from 3-6pm.

Kindergarten Koalas

It's the beginning of a new year and we are excited to get to know one another. We have an all new set of children in our class who are eager and willing to learn all they can to be ready for 1st grade.

Parents, please be aware that in this class we do class-work and homework daily. The children already know of their responsibility and should have no issues with doing any of the required tasks. We will be doing a lot of exploring this year with science and math as well as with our sight words. Experimenting with different substances to record and graph the different out-comes. Math is a big part of our day as well. This month we will begin with a week of learning about our 5 Senses. Discuss our weekly themes with your child to broaden vocabulary as well as increase cognitive thinking. Thank you, Ms. Jane

Lions Classroom

Hi Parents!

Is it true that "an apple a day keeps the doctor away?" I am not sure, but the children will make many discoveries as we begin a new unit on apple while learning about the letter A. through active exploration and interaction, they will become more aware of the origin of apples, different flavors, parts of an apple, colors of apples and ways they can be prepared and eaten.

Enjoy an apple with your child today!

Thank you,
Ms. Krystyna

Peanuts Classroom

Dear Parents,

For the month of September, during our circle time we will go into detail on our circle time lessons like naming names, colors, numbers and letters. We will be doing many fun welcome activities that get the children involved and making friends like singing fun songs and playing fun games. This will help the other students learn their friends names and build friendships.

As a couple of reminders to parents, please check your child's locker and diaper cubbie often. Please do not bring in your child with any food in the morning. Finally please bring in your child before the cut off time of 9:30a.m.

We are looking forward to a great school year.

Thank you,
Ms. Megan & Ms. Joannie

Bears Classroom

For the month of September we will be introducing ourselves in the class by having an All About Me week. We will discuss interests, hobbies, likes and dislikes. We will also begin reviewing our alphabet. Fall will be discussed as well as what happens during the Fall season. Goals for this year will be to work on sharing, self reliance and respect in our classroom.

Ms. Taga

Dragons Classroom

Dear Parents,

The new school year is finally here. We will be doing many fun and exciting things this year in our class. We will be going thru the whole alphabet as well as our numbers. We will discover many topics that are of interest to the 4yr old class. Any questions please see me.

Ms. Hope

PeeWee's Classroom

September's Theme is: Family, Pets and Me.

Start the school year off learning about family, friends and ourselves! Explore emotions and what makes us feel the way we do. Discover ideas for building friendships while learning thru puzzles, cutting activities and literacy filled fun. We will take the time to go to know all of our friends and new families. This month we will have 2 Home-School projects, so please be on the look out for these pamphlets. We are looking forward to an exciting year with our Butterflies!

Mrs. Claudia & Ms. Irene
