

"WHERE YOUR CHILD ALWAYS COMES FIRST!"

Parents, we hope that everyone has had the opportunity to register and browse around the Teaching Strategies GOLD website. If you have not been invited please check with your child's teacher or Mr. Angelo to ensure that we have the correct email address on file.

To All Parents, As the weather is changing here in our great city, it is imperative that all parents check their child's cubby to ensure that they have an adequate change of clothing in case they need to be changed for any reason.

Please be aware that April 22, 2011 is Good Friday and our school is closed. .

Past/Current Events

The month of March was filled with fun and exciting events in each classroom. We hope that with the increase in temperature coming in April, that there will be many more activities and events being done in and outside of the classroom.

Important News

To All Parents, we are currently working with TeachingStrategies.com to fix the issue that anyone is having with logging on to view and check your child's assessments, pictures and documentations as well as lesson plans and school information and newsletters posted to the site.

We are very sorry if this problem has caused any inconvenience. Please feel free to contact your child's teacher or the Director for any information you would like to know in regards to your child or the school.

Chipmunks Class

Greetings from the Chipmunk Classroom! On behalf of the Chipmunk Classroom I would like to thank all the parents who came out for parent teacher conference. There was a great turnout and I want to say Thank You! Throughout the month of March the Chipmunks have learned about the ocean, outerspace, and community helpers. We are so excited that the weather is breaking, so the kids have been able to get some outdoor playtime. We are welcoming the season of spring! The themes for the month of April will be Dr. Suess, Health and Nutrition, Insects and The Circus. The letters for the Month will be L,M,N, O.

Please ask your child the letter and theme for the week so you (parents) can reinforce what we are doing at school and you can keep up with what you child is learning in the classroom. If you have any questions please feel free to ask any of the teachers. Thanks!

Sharks Classroom

Dear parents, welcome to the warm weather! Last month we had lots of fun learning about St. Patrick's Day, farm animals, five senses, spring and water. The children enjoyed making St. Patrick's Day hats, Shamrocks, painting & coloring. We also had learned the letters F, S & W. This month we will focus on learning about Body parts, Easter, Weather & Community helpers. The letters of the month will be E, B, H & C. The numbers will be 1, 6 & 2. The shapes we will learn about are Triangle & Circle. We will also review the shapes we have learned before. We are continuing practicing the rhyming words; parents can have fun playing the rhyming game with the children at free times.
Reminders;*Please bring fake white eggs for Easter to color on 25th

Bumblebees Classroom

Spring is finally here and the kids are excited as they get to go outside to feel the fresh air. For April, we will focus mainly on the changes from winter to spring. We talked about hibernation now its time to tell them the bears are waking up to enjoy the spring and summer. Our themes are birds, Finger puppets, and Rainbow art! We will also celebrate Easter and have Easter party fun! Egg hunt, Basket fun & Egg Coloring will also be part of our Easter theme. For our alphabets, we will be focusing on P, Q and R. I am also please to say most of them know basic colors and numbers in Spanish. We will continue to expand our cognitive and grossmotor skills through many fun filling tasks and learning activities. Please parents continue to encourage them at home and as always we are happy that they are part of the Bumblebee class.

Butterfly Classroom

We have been doing so many great things in the classroom, preparing the students for spring. We learned about ocean life, dragonflies, outer space all within the month of March. Next month, we will be learning about insects, rain forests, flowers and any and everything that will prep the students more for spring. Please continue to work with the child(ren) at home with their letters and letter sounds, starting in May we will start moving forward with developing our early reading skills and we will start sight word recognition activities. If you have any questions please do not hesitate to ask.
