

Parents,

We hope that everyone has had the opportunity to register and browse around the Teaching Strategies GOLD website. If you have not been invited please check with your child's teacher or Mr. Angelo to ensure that we have the correct email address on file. Reminder: Tuition payments are due on time. Any payments made after your due date will result in a late fee added to your current amount. All teachers have envelopes for payments so feel free to ask for one. Envelopes have to be handed to a teacher. If you have any questions, concerns and/or comments please feel free to speak either with your child's teacher or with Mr. Angelo in the office.

Past/Current Events

The month of July was filled with rain and very hot days. Please be sure to dress your child appropriately for the weather. When it is too hot outside we do not take the children outside but instead use our creative side to explore indoor gross motor play.

Important News

To All Parents, we are still currently working with TeachingStrategies.com to fix the issue that anyone is having with logging on to view and check your child's assessments, pictures and documentations as well as lesson plans and school information and newsletters posted to the site.

We are very sorry if this problem has caused any inconvenience. Please feel free to contact your child's teacher or the Director for any information you would like to know in regards to your child or the school.

Chipmunks Class

Greetings from the Chipmunk Classroom!

The Chipmunk class is very excited to report that we have learned a lot about summer and exploring our world. For the month of August we will be exploring our imaginations. Themes will be Nursery Rhymes, Kings/Queens, Circus and Western. We will be exploring these themes by reading books and participating in different art activities. At the end of the month, we will be writing our own fairytale. Students can feel free to bring in their favorite book this month to share. Each day we will be reading a different book. We are continuing to work on alphabet and number recognition.

If you have any game or suggestions that may help your child or the other children with numbers and letters please don't hesitate to let one of the teachers know.

Thank you,
Ms. Te'ara & Mrs. Daulat

Sharks Classroom

Preschool children learn best through play. We try to keep our activities as fun as possible for them because we want them to enjoy their time here and they also learn the concepts much better. We had so much fun pretending to be insects, discussing about Independence Day and Safety & Camping. In August we are looking forward to learning about the Ocean animals, school, hand-washing, Big & Little feelings. The letters we will learn are St, Tr, Pl and Cr. For math we will practice counting by 10's. Reviewing all of the shapes we have learned as well as learning some new ones like Octagon and Cylinder. We will continue improving our early reading skills with guessing games, clue games, rhyming games, sounding out letters, reading books, etc. Children will continue practicing their names. When it is extremely hot outside we usually avoid outdoor activities, which we compensate with floor exercising.

Bumblebees Classroom

Ms. Stephanie has left for maternity leave at this time. If you have any questions, comments or concerns please feel free to speak with the teacher in the class or with Mr. Angelo in the office.

Butterfly Classroom

Happy Summer Families!
As the Butterflies classroom transitions between new and graduating students, we look forward to a new beginning for everyone. Because the weather is getting so warm we ask all parents to dress children appropriately and to also check cubby boxes for extra clothes. In the month of August, we will engage in lessons about class rules, bullies and taking turns. Please feel free to bring in books about these lessons to share with the classroom. We say farewell and best of luck to our friends who will be moving into the Sharks room and also to those who are attending Kindergarten this fall. It has been a pleasure working with you. We would also like to say Good Luck to Ms. Javon who will no longer be with us for the rest of the year. Thank you and Stay Cool!!

Ms. Alex
