

"WHERE YOUR CHILD ALWAYS COMES FIRST!"

Parents,

We hope that everyone has had the opportunity to register and browse around the Teaching Strategies GOLD website. If you have not been invited please check with your child's teacher or Mr. Angelo to ensure that we have the correct email address on file. Reminder: Tuition payments are due on time. Any payments made after your due date will result in a late fee added to your current amount. All teachers have envelopes for payments so feel free to ask for one. Envelopes have to be handed to a teacher. If you have any questions, concerns and/or comments please feel free to speak either with your child's teacher or with Mr. Angelo in the office.

Past/Current Events

The month of May was filled with rain showers and drastic weather changes. Please make sure to dress your child in appropriate clothing as well as an extra set in their cubby box. **Keep in mind that June is graduation month. More info will go out shortly.**

Important News

To All Parents, we are still currently working with TeachingStrategies.com to fix the issue that anyone is having with logging on to view and check your child's assessments, pictures and documentations as well as lesson plans and school information and newsletters posted to the site.

We are very sorry if this problem has caused any inconvenience. Please feel free to contact your child's teacher or the Director for any information you would like to know in regards to your child or the school.

Chipmunks Class

Greetings from the Chipmunk Classroom!

In the classroom the students have enjoyed learning all about Spring and the things that Spring has to offer. We discussed the weather, the circus, butterflies and bugs. The students enjoyed the different art activities that we do everyday in the classroom. I am seeing much improvement in the student when it comes to letter and number recognition. Please work with your students at home on these concepts. For the month of June, we will be getting ready for the debut of SUMMER! We are so excited to talk about the beach, sea animals, summer and Hawaiian culture. At the end of the month we will be having a Luau.

The letters for this month are U,V,W,X,Y and Z. The numbers are 12, 13, 14 and 15. If you have any questions please feel free to ask any one of the teachers.

Thanks, Ms. Te'ara and Mrs. Daulat

Sharks Classroom

Preschool children learn best through play. We try to keep our activities as fun as possible for them because we want them to enjoy their time here and they also learn the concepts much better. We had so much fun pretending to be Birds & Butterflies, discussing about different types of Transportation, how important mother is in our lives & what we can do for them. We spread activities throughout the day to prevent the children from becoming bored and alternate active and calm activities. In June we are looking forward to learning about Frogs, Safety, Fathers, Beach and Summer. Our letters are I, J, X, O & R. Our numbers are 1-100. Some new shapes are Pentagon, Crescent, Hexagon & Octagon. Children will continue to practice their name writing. Summer is knocking on the door; we are enjoying as much time outside as possible.

Important Dates:

June 19th - Fathers Day

June 22nd - Summer Begins

Bumblebees Classroom

For the month of June we will be doing a lot of outside activities because of the wonderful weather we will be facing. We can also say Goodbye to our rainy May weather as well. We will have many new faces in the Bumblebee classroom because the older children will be graduating which will give us room for new faces to come join our wonderful bumblebee class. The teachers have to take their time in getting to know our new toddlers' personalities and making them feel welcome and becoming a part of our team. This month's activities include making Fathers Day cards, planting seeds so we can watch our flowers grow. We will do lots of hands on activities so our toddlers can explore sensory. Our letters of the month will be T, U & V. Parents continue to work at home with your child for encouragement and getting them prepared for daycare.

Butterfly Classroom

As Spring/Summer begin to approach we will be discussing and learning about various topics that pertain to those season. The children continue to do an exceptional job with the daily phonics activities. Please continue to reinforce letter recognition and letter sounds at home with them. If you need any ideas for activities please feel free to ask. We would like to congratulate our June graduates as they venture off to the fabulous world of Kindergarten. Ms. Alex and I have enjoyed helping you prepare for your future success.

If you have any questions or concerns please feel free to ask.

Thank you, Ms. Jevon and Ms. Alex
