

**"WHERE YOUR CHILD ALWAYS COMES FIRST!"**

Parents,

Summer is over and it's almost time to get ready for some chilly weather. Please dress your child appropriately in addition to making sure that they have an adequate change of clothing in their cubby box. The children will still be going on walks and enjoying the fresh air by going out into the gross motor area making it very important for them to have a sweater or jacket on cool days.

The Teaching Strategies website should be up and running soon. Teachers will be informing all parents of any details associated with this website and your child as it becomes available.

### Past/Current Events

**There will be plenty of Halloween activities going on throughout the month around out school. Please ask your child's teacher if you have any questions concerning treats or any celebrations.**

### Important News

**To All Parents**, please be sure to make your monthly tuition payments on time or there will be a late fee added to your balance. Any questions please feel free to see Mr. Angelo in the office.

### Chipmunks Class

Hello Parents,

My name is Sandra and welcome to the Chipmunk room. We are excited for the beautiful fall weather to arrive. This month our lesson plan will be related to Fall changes. The colors we will discuss about in class are red, orange, yellow, black and brown. We will work on various art projects related to Fall in addition to Halloween.

If you have any questions please feel free to ask. I look forward to a great year with your children!

Ms. Sandra

### Sharks Classroom

Dear Parents, we have enjoyed summer at our best. Fall is here, the month of October will be filled with lots of Fall activities; coloring, collecting and painting Fall leaves. We will dress-up for Halloween too. We will continue learning letters numbers and shapes. Learning to recognize and writing our own name is important in preschool, so please continue helping your child in that area. The weather is changing and we go outside twice a day to improve our gross motor skills, please have your child bring a light jacket to school. Thank you so much!

Happy October!

### Bumblebees Classroom

Hi Bumblebee parents. I just wanted to introduce myself, my name is Ms. Denise. I am one of the new teachers here at Toddler Town Daycare. I am looking forward to getting to know all of the Bumblebee families. We have new children in the classroom so for the month of October, we are going to be working on getting to know one another. In addition, Fall is here and we will be doing many many fun Fall activities.

### Butterfly Classroom

Howdy Parents!

Its finally October and many things are happening in the Butterflies classroom. This month, we will be introducing new themes including All About Me, On the Map, Season Week and celebrating Halloween just before the end of the month. Our journey with phonics also continues this month and will be reviewed in the months to come. The Butterflies are excited about letter sounds and writing letters. We encourage parents to spend time practicing at home. Please feel free to bring in books or materials pertaining to our weekly themes. thank you for all of your current involvement and support.

Bien á vous,

A. Richardson
