August

2021

Here's What We'll Be Up To....

**Hello Toddler Town Families!
How Exciting, we are welcoming a new month Again!**

*hello,
august*

August is going to be full of exciting Summer Fun activities!

Not only are children going to have fun learning and enjoying the rest of the summer, but children will also be introduced to the school routine and will be enjoying the "First day of school" vibe.

Most classroom will be starting their 100th day of school Count-UP and when they reach the 100th day, they will have a celebration.

We want to remind everyone that we are still requiring everyone to wear a mask. Teacher, students and parents. It is important that we still follow these guidelines to keep our schools safe and most importantly our students.

Here are some important things to remember:

3rd Watermelon Day

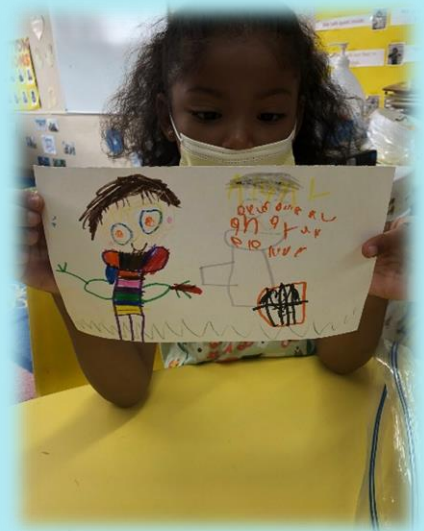

10th -S'mores Day

11th Play in the Sand Day

26th Women's Equality Day

**AUGUST 27TH WE WILL BE CLOSED FOR A
TEACHER IN SERVICE DAY.**

31st - Trail Mix Day

Announcements

Toddler Town Open Enrollment

- We want to share with Everyone that Toddler Town Currently has Open Enrollment.
 - Refer a family member or a friend and get \$100 off your tuition after a full month of attendance.

Important Info!
No open Toe Shoes!

Review Our Center!

We ask that all our families take the time to review our center! Scan the code and it will take you directly where you need to go!

REMEMBERS!

Please Don't forget that payments must be made on the 1st & 15th of every month. On the first you either pay full tuition, or half, if you pay only half on the 1st, you have until the 15th to pay the other half. Late fees will be applied for no payments after the first and also to unpaid balances after the 15th .

- Please do not forget that due to the Pandemic, our center closes promptly at 5PM. Any time after that, families get charged \$15 every 10 minutes.
- Don't forget to fill out the CrisisGo questionnaire at home, before dropping off your child. Teachers are ready to scan and re-take temperature.

Since we are now in summer, Toddler Town Teachers will be planning lots of fun outdoor activities with the students. Please dress your child according to the weather and make sure to apply sunblock if needed, since we are not allowed to apply it ourselves.

Also, a friendly reminder that students MUST wear closed toe shoes, no sandals or flip flops, safety purposes.

KOALAS (5 Year Olds)

Hi Families! Our class had a great month of learning!

We explored the different areas of America like the Redwood Forest, we discovered the history of America, the bare necessities of camping and we have our eyes on Summer Olympics 2021!

We had some great activities associated with these themes like what to pack on a camping trip where the children drew the different items they would need for camping.

For the month of August, we will be diving into some new themes! We will still be watching the Summer Olympics and seeing what events our favorite are. We'll also explore the human body and how each part of our bodies work. We are also celebrating our last few days for some of our graduates who will be leaving at the end of the month. Please keep an eye out for a flyer for our end of year party.

If you have any questions or concerns, please reach me through email at megan@toddlertownchicago.com or at Ext 27

**Thank You,
Mrs. Megan**

THE BEARS (4-5 Year Olds)

Happy August, everyone!

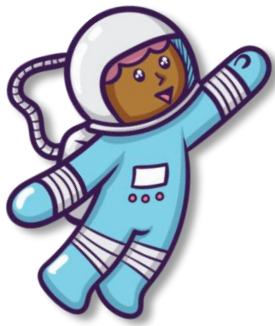

To recap our month of July, we reviewed the concepts of back/front, top/bottom, up/down and same/different. We also celebrated 4th of July by making our own fireworks. For the month of August, we will continue to review our opposites and positions by discussing on/off, rhyming, sequencing, patterning and reviewing our basic skills before some of us move on to kindergarten. We will continue to enjoy gross motor play outdoors. It should be a great month!

Ms. Taga

THE EXPLORERS (3-4 Year Olds)

In the month of July, the students focused on Independence Day, and Zoo Animals. We also talked about some activities that we can do during Summertime. We enjoyed making projects with the colors RED, WHITE AND BLUE, since those colors represent the American Flag. We also made a Zoo Diorama, and some crafts. We continue working on recognize the letter of the month, "S" and "B" and spelling and writing their names.

In the month of August, we will be working on the Five Senses: sight, smell, hearing, taste, and touch. We will discuss examples of SIGHT (colors, faces, eyes), SMELL (flowers, scented markers, Kool-Aid), HEARING (car sounds, animal sounds, musical instruments), TASTE (sour, salty, warm, cold), and TOUCH (soft, rough, gushy, bumpy). We will also make some fun crafts related to the theme and continue working on recognizing tracing and writing the letters of the Alphabet.

If you have any questions, please feel free to call us at 773-622-9733 Ext 25 or via email at: cintya@toddertownchicago.com and karla@toddertownchicago.com

Once again thank you for all your support!

BUTTERFLIES (3 Year Olds)

Hello families! I am so happy and proud of our butterflies! As we talked about in our previous newsletter for July, we spoke and learned about the letter D! It is fantastic to see all the progress we have accomplished since February! Our butterflies have learned how to write the letters A, B, C, and D and recognize each letter's sound! We also worked on encouraging new vocabulary and recognizing numbers one to five and writing them! We will continue working on more alphabet letters and recognizing the letters of our children's names for August!

Thank you in advance for your collaboration!

If you have any questions, please feel free to call us at 773-622-9433 EXT 23

Or email me at Nataly@toddlertownchicago.com

TOUCANS (2 Year Olds)

Hello families!

Our class had a wonderful month!

We learned so many things like colors, shapes, and animals. We also had fun activities and crafts, for example, the children completed an ice cream activity where they had to put the numbers 1-3 in the correct order with the help of a teacher. We had good weather, which allowed us to appreciate our time outdoors. We had a great month of learning, and we can't wait to see what the next month brings. For the month of August, we have some wonderful themes in store! Children will continue their lessons on colors, shapes, numbers, and names. They will also study their names and the days of the week! Along with these new topics, there will be some great activities to correlate with them like name search where the children will try and find their names in the classroom with their pictures attached to it.

Thank You,
Ms. Fatima and Ms. Yaritza
